Become a Certified Positive Discipline Classroom Educator

This interactive workshop is designed for all educators, teachers, counselors, school staff and administrators seeking a research, solution-based discipline approach (from Adlerian Psychology), that integrates social and emotional learning throughout daily curriculum while positively impacting student behavior, whole school climate, and academic outcomes.

**Attendees will earn Certification as
Positive Discipline Classroom Educators
and will develop skills to:**

- Learn Positive Discipline/Adlerian psychology for use in the classroom and school community.
- Understand the belief behind the students' misbehavior and how to use encouragement to motivate positive change.
- Cultivate classroom communities of connection and respect.
- Transform challenging behaviors into opportunities to build social-emotional skills.
- Create an equitable classroom & community with clear guidelines & routines based on mutual respect & cooperation;
- Facilitate effective class meetings that develop student voice, restore relationships, teach problem-solving and life skills;
- Fill the "teaching toolbox" with authoritative methods that are both kind and firm for grades PK-12.
