## LEARNING OBJECTIVES

- Learn research based effective tools and techniques for teaching parents how to use discipline that is kind and firm at the same time (non-punitive non-permissive).
- Learn how to facilitate a parent class from the position of a non-expert.
- Gain practice with experiential exercises that help parents go beyond intellectual understanding and be able to respond in empowering ways that teach children
- Learn how to use materials and activities in group settings, parenting classes and individual work with families.
