

# ONLINE EMPOWERING PEOPLE IN THE WORKPLACE, THE POSITIVE DISCIPLINE WAY

## This Workshop is an excellent option for Administrators, Managers, Supervisors, and Teachers

This workshop provides professional development for Human Resources Professionals, Mentors and Coaches, Entrepreneurs, Volunteer Coordinators, Team Leaders, School Administrators and Leadership Personnel, Positive Discipline Certified Educators, Trainers, Lead Trainers, and others familiar with the Positive Discipline program.

Developed by Dr. Jane Nelsen and Dina Emser, the experience is designed to provide a step-by-step approach to help business professionals understand how to create a culture of mutual respect in the workplace. This program stands alone or offers significant enhancement to other leadership programs; it emphasizes experiential activities based on Positive Discipline principles and tools to inspire deeper understanding and change. Participants say that the Team Problem Solving Steps and the Team Meeting process provide fun and effective ways for them to get specific help with real challenges at work. The ONLINE workshop will include in-person Zoom meetings and an independent study between sessions. Materials will be provided at the in-person site.
